"Your President"

This is a painting of Donald Trump, the President of the United States of America, highlighting the many controversial and rude statements he has made in his time. The words written in the back of the paintings are only a few of these terrible statements.

Hurow it doesn't sound we're rounding them up in a very humane way, in a very mile way. me, but not everytary i) will. I don't want there people army one here.
